AESCULAP ACADEMY WEBINAR

TREATING COVID-19 PATIENTS; THE CHINA EXPERIENCE

27 April 2020 | 8:00 PM – 9:30 PM Malaysian time | Webinar Session

Looking at the epidemiological characteristics and the increasing number of COVID-19 cases in Asia Pacific, Regional B. Braun Avitum division in collaboration with Aesculap Academy Asia Pacific is pleased to organize a Webinar session titled "Treating Covid-19 Patients; the China Experience" by renowned speaker **Prof. Bin Du**. Prof. Bin Du will share the strategy to treat critical COVID-19 patients from total solution approach. Considering up to 29% of COVID-19 ICU patients develop Acute Kidney Injury (AKI) during the infection phase, and AKI is a known risk factor for mortality ([ISN, 2020](#)), this topic will be discussed during the Webinar with Prof. Bin Du along with two other special guests.

Agenda:

8:00 P.M. – 8:05 P.M. : Opening Speech

8:05 P.M. – 9:00 P.M. : Treating COVID-19 Patients; the China Experience

9:00 P.M. – 9:30 P.M. : Discussion, Q&A and Closing Speech

About the Speakers:

Prof. Bin Du is Director of the Medical ICU, Peking Union Medical College since 2004 and Postgraduate instructor in the Peking Union Medical College since 2003. Currently President of the Chinese Association of Critical Care Physicians and the Immediate Past President of the Chinese Society of Critical Care Medicine. He will give his first-hand experience of the situation in China and will answer questions during this interactive session.

In addition to Prof. Bin Du, we will have 2 Expert Panel Members from Malaysia to share their expertise on the topic.
